School will finish at the normal time on this day

School starts for Term 2 on Monday 30th

STAFFING

We have a few changes coming up at West End School with teaching staff. Tomorrow we farewell Mrs Lloyd and wish her well for her planned retirement. Paulette has been the Tipuranga Team Leader for many of her 14 1/2 years of teaching here at West End. A good deal of children have been fortunate to have been in Room 5 over the years! All the best for your retirement and planned travel ahead Paulette! Erin Wheeler will take over teaching in Room 5, and Rochelle Buttar will take over the Team Leadership role for Term 2.

We also say farewell to Nikki Stockman who has been Paulette's release teacher on a Friday. Nikki takes up a new position at Ashhurst School which will be closer to home. Waimarie Stirling will release Rochelle Buttar in Room 7 on a Friday. Kelly Donald will take over the Friday Release position for Jessie Higginson next term. There are two permanent positions being currently advertised at West End, so a few changes ahead.

STUDENT LED CONFERENCES

By now you would have received either by email or hard copy an invitation to the Student Led Conferences in Weeks 1-4, Term 2. Please reply early as we don't want you to be disappointed and we know your child is excited to be sharing their learning with you.

Thanks to those who have already secured their slot for a time with their child to discuss their learning blogs. At this conference you will be asked to share your hopes, dreams and aspirations for your child for this year and beyond with them. These will be recorded in your child's blog during this time.

Jessie Higginson

The PrEP Market Day yesterday was an accumulation of a term's Inquiry learning about managing money, making decisions, producing a product, earning/spending/saving and participating and contributing in an economic community. Along with this there was working together in a fun way!
